

Football

Want to take your footballing skills to the next level? Our Football Academy will develop your understanding of techniques and tactics of the beautiful game as well as supporting your language learning in a football environment.

Develop a strong academic foundation for the future

Students will focus on technical aspects of the game including dribbling, passing, shooting, goal keeping, headers and tackling, while learning football vocabulary and exploring the different cultures that make up the beautiful game.

Students will also take part in a football tournament and receive certificates and/or trophies for the player of the week.

On this Academy, students will:

- Develop football skills in the areas of dribbling, passing & shooting.
- Learn how to work in a team and develop tactical understanding of the game.
- Learn specialist vocabulary and useful phrases for playing and talking about football.
