

Basketball

Step onto the court and take your basketball game to the next level. Bell's basketball academy focuses not only on improving your skills like passing and shooting, but also helps you to communicate effectively in English, and understand basketball culture worldwide.

Develop a strong academic foundation for the future

Students will improve their skills in dribbling, passing, shooting, and blocking, while learning core vocabulary and exploring the diverse cultures that make up the world of basketball. At the end of the course, students will have the chance to showcase their skills and teamwork in 5-a-side match or tournament.

On this Academy, students will:

- Improve basketball techniques, recorded in a personal log-book
- Learn how to work together as a team, and explore global basketball culture and traditions
- Compete in a 5-a-side match or small team tournament
- Learn how to communicate effectively whilst playing and talking about basketball
