

Horse-Riding

Our horse riding students are trained at a long-established equestrian school with expansive grounds - approved by the British Horse Society and Association of British Riding Schools.

You will have the exciting opportunity to display what you have learned at a final 'tack and turnout' show and will be presented with a certificate and rosette to celebrate your achievements.

Develop a strong academic foundation for the future

Want to experience what it's like to ride a horse? Our Horse Riding Academy will develop your riding skills in an indoor and outdoor training arena.

You will also learn how to care for the horses in the stables, as well as be supported in your language learning to suit the horse riding world.

Our Horse Riding Academy is ideal for beginners or advanced riders.

On this Academy, students will:

- Develop horse-riding skills such as walking, trotting, cantering, show jumping, quadrille, dressage and bareback riding
- Enjoy one hour per session of riding
- Learn about stable management, including horse care, bathing, plaiting and first aid skills
- Learn how to safely handle and tack up horses in the stable
- Participate in a final show displaying the skills they have learned, with certificates and rosettes
