

Intensive Academic English

This brand new Academy will enhance students' academic English skills and maximise their potential for success in their future studies.

This challenging Academy will help students develop a range of useful tools and techniques to tackle international exams and improve their general study needs.

Develop a strong academic foundation for the future

This Academy consists of nine hours of tuition and will focus on helping your child to improve their academic skills, including academic vocabulary, reading techniques, academic writing practice, and much more.

At the end of the course, students will have acquired and practised a range of transferrable skills they need to succeed in their English language exams and future studies.

On this Academy, students will:

- Develop their academic English across all four areas: reading, writing, listening and speaking
- Learn new techniques to effectively approach different types of exam questions
- Gain useful tools and models to become confident, independent and successful learners
