

Art

Want to create your own masterpiece? Bell's art academy will allow students to develop their own talents and expand knowledge into different styles of art as well as supporting students' language learning in the art world.

Our art academy will be taught by a qualified art specialist who has experience in creatively expanding students' knowledge in the subject.

Bell
EST 1955

Develop a strong academic foundation for the future

Students will create a masterpiece, using their favourite skills learnt over the course, which will then be presented in an end of course exhibition for all students to see. Students will then be awarded prizes and certificates to the most creative work.

On this Academy, students will:

- Develop skills in areas such as drawing, animation, painting, graphic design, textiles and fashion.
- Develop their personal creativity.
- Learn specialist art and design vocabulary.
