

# Bell Cambridge Language in Action Programme 2025

We firmly believe that integrating different activities and cultural experiences into your learning programme has multiple benefits to you as a learner, and as an individual. That is why we organise a selection of workshops, local excursions and full-day trips for you at no additional cost. Our adult courses have a dedicated Language in Action programme where students choose their activities. The programme offers you the opportunity to develop your skills, experience something new and see a full range of interesting places and communities, so please join in!

## Monday

### Cambridge City Centre Walking Tour

Each week we will take new students on a tour into Cambridge City Centre as part of your induction. You can check where the main sights, attractions and shops are, and come back after school another day or on the weekend to explore more!

## Tuesday, Wednesday and Thursday Activities (On-Site)

These are designed to offer students a wide range of different activities to try. These will encourage students to experience something new or perfect an existing hobby. Activities include: Sports, Art, Food, Games, Music... and many more!

## Tuesday, Wednesday or Thursday Socials

Socials are there for students to make friends and practice their English in a social and relaxed environment. Typically, this is a chilled-out evening of conversation over a drink and nibbles at a pub. Non-Alcohol drinks are available.

## Friday Trips and Saturday Trips

Trips are a vital part of your experience at Bell, which allow you to explore the Cambridge area as well as the UK beyond Cambridge. This is a great way to make friends, improve your language and knowledge of British culture. Trip locations include: Punting, Museums, Bowling, Cambridge University Colleges, London, Oxford, Brighton, Birmingham, York, Canterbury, Norwich

## Bell Events

Occasionally we have a bigger whole school event. All completely free and a great way to get the whole school involved in a bigger social event, as well as staff and host families. Bell Events include: International Evening, Summer BBQ, Bell Olympics, Eid Celebration ...

## Free time

Use this as a chance to catch up on some studying or sightseeing! If you are feeling more adventurous, there is always something to do in and around Cambridge. Have a look on Bell Online for ideas or ask your Enrichment Programme Coordinator at school for some suggestions.
